

Students' Scientific Conference

On 26th November 2015 Dennis Gabor College organized the annual Students' Scientific Conference.

Following the Rector's welcome, the conference started with the scientific competition of Hungarian students in three fields: Information Technology, Engineering and Economics. The presentations were judged by a jury of five.

Students and professors of the college showed a great interest in the scientific works of our young talents.

The awarded the following students:

1st prize – Gábor Elek (Computer Science)

2nd prize - Tamás Gábor Félegyházi and Ákos Kovács (Computer Science)

3rd prize – Gábor Kimmel (Computer Science)

The conference was supported by the Ministry of Human Capacities within the framework of the National Talent Programme.
